

The image features a large white circle as a central element. Inside the circle, a pattern of dots of varying sizes and colors (dark blue, teal, grey, purple, and red) is arranged in a fan-like shape, radiating from the top left towards the bottom right. The dots are denser in the upper left and become sparser towards the bottom right. To the right of the dot pattern, the text "Made in the USA" is written in a bold, dark blue, sans-serif font. Below this, the word "Geiger" is written in a smaller, dark blue, sans-serif font, followed by a registered trademark symbol (®). The background outside the white circle is a solid dark blue color.
